Placement Report 2021-22

The purpose of placements cell is to provide the students with post-studies guidance in finding appropriate jobs. The cell will act as a bridge between the students and the Industries/organizations which have positions suitable for the candidates passing out with M.Sc. degree from SIHS

Some of the activities to be conducted under the Placement Cell are as follows:

- To organize campus interviews for the students and manage their final semester project placements at government research institutes as well as industries all over India.
- To prepare students to face campus interviews by arranging training in aptitude tests, group discussions, preparing for technical and HR interviews through professional trainers.
- To maintain communication with industries through guest Lectures, industrial visits, etc.

Placements Nutrition and Dietetics Program

Following companies conducted placement interviews and absorbed students from the Nutrition and Dietetics program. Total 14 students were absorbed in different organisations of repute.

A brief about the companies /hospitals/wellness institutes:

1. Symbiosis Hospital and Research Centre (SUHRC)

Symbiosis has been synonymous with quality education for over 50 years. Drawing strength from this trust, 'Symbiosis University Hospital and Research Centre' (SUHRC) was conceived to redefine healthcare in Pune by establishing a new state-of-the-art tertiary care hospital. Our purpose is to provide modern & professional healthcare to the Rural & Urban community equitably.

SUHRC started operations in mid-2019, and boasts a strong team of distinguished healthcare practitioners, qualified nursing and paramedical staff. The Medical team of the hospital comprises doctors who are among the best, all trained in leading hospitals in India and abroad. The hospital has the latest, state-of-the-art technology to assist the doctors. The hospital's focus is on research and it has collaborated with the existing research centres of the University.
