SPEAK TO SUCCESS

The Speak to Success was one of the first events conducted by the Placement Cell under the guidance of Mrs Devika Shetty. This was a 3 day event where the students were divided into 9 groups and each of them was allotted a vertical from the healthcare sector- Insurance, IT, Pharmaceutical, CSR, Medical Devices, Hospital, Consultancy, Public Health and NGO. We had Mrs Devika Shetty, Dr. Meenal Kulkarni, Dr. Kasturi Shukla, Ms Neha Ahire and Brig. A Pandit as judges for the 3 days. Sameeksha Saxena and Supriya Sharma were the two coordinators from the students who managed the entire Speak to Success event.

Day 1

Date- 19th July 2017

The Speak to Success event began on 19th July 2017, Wednesday at 11:15 a.m. by our two hosts, Sameeksha Saxena and Supriya Sharma in the presence of the judge panel which included Dr. Podwal Sir, Mrs. Devika Shetty Ma'am and Dr. Meenal Kulkarni Ma'am.

ATULYA- Corporate Social Responsibility

their presentation and corporate dress code.

IMPUL - NGO

Three teams performed on the first day on their given respective vertical. The first to perform was Team 'Atulya'. The team was allotted the vertical 'CSR' (Corporate Social Responsibility). The group briefed the audience about role of CSR in the form of an AGM scenario. Each group member represented the various department heads of the company. At the end, they also proposed the idea of Atulya Abled Children. They were appreciated by the judges for

The next group to present was Team 'Impulse'. The vertical allotted to them was 'NGO'. They briefed about the various aspects of NGO, definition, stakeholders, statistical analysis, targets and role of NGOs and financial resources through presentation giving examples of current existing such foundations.

The team effort and speaking skills of the group members was appreciated by the judgeS(

Endeavour- Public Health

The last team to perform for the day was Team 'Endeavour'. The vertical allotted to this group was 'Public Health'. The team presented the idea of Public Health, specifically about Mental Health, through a unique concept of Talk-Show. They put forth the views of doctors, the patients, and the relatives of the patients through the act. The team was majorly appreciated for their unique concept, speaking skills and the confidence of the team

members.

Day2

Date- 20th July 2017

The second day of speak to success started with the introduction of Dr. Kasturi Shukla Ma'am who was the judge for the day. We were elated to have our beloved Mrs. Devika Shetty Ma'am and Or. Kasturi Shukla Ma'am to monitor and guide us. The event started at 2:00 Pm.

CADUCEUS- Medical Devices

'Caduceus' was the first team to perform. This group was allotted the vertical of 'Medical Devices'. They presented the evolution of a hypothetical device named 'Nano Cap' through a short skit. Our judges were quite happy with the presentation, especially the posters made by the group.

PLACEBO-IT

The next group to come up was group 'Placebo' who was allotted the 'IT' vertical. This team had presented an extraordinary idea of an online dating application- FIND MY PARMINDER. Their act revolved around the various sectors trying to impress the IT sector who ends up pairing with the healthcare domain. The judge loved the whole concept and congratulated the team for the same.

CODE BLUE- Pharmaceutical Industry.

previous ones.

The last team to perform was 'Code Blue'. Since the vertical given to them was 'Pharmaceutical Industry', the team showed the journey of a drug through its various processes - like research, manufacturing and marketing. The judges appreciated the team for their dressing sense and the posters. Day 2 was more captivating than day 1 as everyone wanted to perform better than the

Kasturi ma'am was very delighted to see all the acts and appreciated everyone's hard work. The day ended on a light note by clicking group photographs with Devika Ma'am.

Day 3

Date- 22nd July 2017

We had Dr. Brig. A. Pandit Sir and Mrs Neha Ahire Ma'am as judges along with Mrs Devika Shetty Ma'am for the third day of Speak to Success. We started our event from 10:45 am.

NUCLEUS- Hospital

The first team to perform was 'Nucleus' who were given the vertical 'Hospitals'. They targeted the Transplant specialization in a hospital. They briefed about the urge for organ donation in India through their presentation followed by a small skit relating to the same.

They highlighted the myths and wrong perceptions people have about organ donation. They showed a small video about a kid who is afraid to undergo a heart transplant

and the parents face a lot of difficulty in finding a donor for their son. They were appreciated their efforts by the judges.

AESTHETICS- Consultancy

The second team to perform was 'Aesthetics' who were given the vertical 'Consultancy'. They started with their performance with a radio commercial of their Consultancy firm which they named Lifeline Consultancy. Then they began with a presentation about their firm which consisted the vision and mission statement.

They explained about the different roles that a consultancy plays in the healthcare sector. A small skit was performed by the group to compare the role of consultancy services in a hospital. The one who availed the services was able to successfully recruit experienced doctors. However the team was asked to improve on their internal coordination.

DELTA 4- Insurance

The third team to perform was 'Delta 4'. They were given the vertical 'Insurance'. They started with a brief introduction about the insurance sector. Then they explained the importance of insurance through a small skit. They showed a self-made humorous video which depicted the necessity for health insurance. They enumerated overlooked aspects covered in health insurances. They were appreciated for their video creativity and

innovation by the judges.

CONCLUSION

It was a very good attempt by all the teams and all managed to bring out the best in them. They were all successful in projecting their given vertical. They learnt about the importance of teamwork and individual presentation and how to maintain a balance between both.
