*The program at a glance!*

# CHANCELLOR'S MESSAGE

**Prof. Dr. S. B. Mujumdar**  
**President & Founder, Symbiosis**  
**Chancellor, Symbiosis International (Deemed University)**

Symbiosis has a proven track record in the field of education, with management education being our flagship. Keeping in mind the growing need of Healthcare managers, Symbiosis Institute of Health Sciences has established a unique and a much-needed MBA programme in Hospital and Healthcare Management. Inputs from several diverse but inter-related and inter-dependent fields have enriched the programs and brought them up to date with recent advances in all relevant areas of healthcare. These will help the students to evolve into becoming the vital link in the healthcare delivery system of the future.

We welcome our esteemed corporate partners to be a part of our campus recruitment and join us in our pursuit of higher goals.

# PRO-CHANCELLOR'S MESSAGE

**Dr. Vidya Yeravdekar**  
**Pro-Chancellor, Symbiosis International (Deemed University)**

Academic excellence has become a way of life with constituents of the Symbiosis International University. Preparing our nation and its citizens for the challenges ahead will require education with a futuristic vision.

I am confident that the programme will fulfill needs and demands of the booming healthcare sector.

We invite you to sculpt your business plans to perfection with the expertise and knowledge of our energetic young healthcare managers.

*A leader who bears flagship of knowledge with excellence!*

# VICE-CHANCELLOR'S MESSAGE

**Dr. Rajani Gupte**  
Vice-Chancellor, Symbiosis International (Deemed University)

There is a significant shortfall of healthcare professionals. It is in this area that Symbiosis Institute of Health Sciences has an MBA programme in Hospital and Healthcare Management. Needless to say, this programme is innovative and career oriented.

I am sure that these young healthcare managers will be valuable assets to your organizations.

# DIRECTOR'S MESSAGE

**Dr. Rajiv Yeravdekar**

**Director, Symbiosis Institute of Health Sciences**

**Dean, Faculty of Health Sciences, Symbiosis International (Deemed University)**

To endure and flourish in today's dynamic business environment, it is imperative for young professionals to persistently update their knowledge, improve level of awareness and to acquire new skills and competencies. At Symbiosis Institute of Health Sciences we recognize this and nurture the participants through the journey with focused course content, lectures and faculty interactions. I am certain that with the contributions from the programme, the participants are ready to spearhead your organization towards sustained growth and development.

I welcome you to implore the talent of our MBA(HHM) students.

*Our pillars in success who uphold the vision!*

# SYMBIOSIS UNIVERSITY HOSPITAL & RESEARCH CENTRE (SUHRC)

Symbiosis University Hospital & Research Centre (SUHRC) is currently a 900 bedded hospital located within the SIU campus at Lavale Hill Base, Pune. SUHRC is now a fully functional hospital, also serving the COVID 19 patients during this trying times of the pandemic.

Besides, all the mother specialties, viz. Medicine, Surgery, Obstetrics & Gynaecology, the SUHRC has sub-specialty departments of Paediatrics with Neonatology (including an NICU), Orthopaedics, ENT, Ophthalmology, Gastroenterology, Urology, Nephrology with dialysis beds, Pulmonology (Chest Medicine), Cardiology Dept (with a Cath lab), Cardiothoracic surgery, Neurology & Neurosurgery. Critical Care Medicine, 65 ICU beds with 6 High Dependency Unit (HDU) beds, 15 large Operation Theatres which cater to all surgical disciplines, including one exclusively for Obstetrics & Gynaecology. All theatres are 'modular' with 2-way data transfer facilities, a full-fledged Pathology lab and a Blood bank.

SUHRC provides top quality clinical services, which are protocol driven and evidence based. The nomenclature of a 'University Hospital and Research Centre' conveys the thrust on academics and research, which is both interdisciplinary as well as translational. Ethics with transparency of operations is accorded topmost priority.

*A leading example of excellence*

# MBA-HHM PROGRAMME

The two-year full-time residential MBA programme in Hospital and Health Care Management aims at adopting a synergistic blend of academic knowledge and practical applications in the field of Healthcare. Specially trained cadre of professional managers in this specific arena is what Symbiosis Institute of Health Sciences has in its batch of MBA (HHM). The emerging professionals can manage the intricacies of the various verticals of Healthcare.

## HOSPITALS

Students identify themselves in all realms of functioning of the Hospital - Administration, Operations, Finance, Marketing, HR, TQM, Business Development, Insurance, IT, Business Analysis, Public Relations and Medical Tourism.

## HEALTHCARE IT

Students have apt skills of understanding the Healthcare domain and assist in designing and marketing software; thus making HMIS efficient in improving quality, safety and accessibility of Healthcare.

## INSURANCE

Learnings in Health Insurance equips students to be industry ready to cater to the needs of the customers and help the industry in Product Development, Underwriting, Marketing and Sales, as they understand the legal and medical aspects.

## MEDICAL EQUIPMENT

Product Requirement Analysis, Marketing, Equipment Planning, Financial Analysis, Installation Management are the key skills of our students.

## PUBLIC HEALTH

Students know the importance of Epidemiology, Community Health, National Healthcare Policies and Biostatistics. This helps them in formulating policies and management of skills vital to effective functioning and cost-effective quality care.

## CONSULTANCY

Special focus on analyzing and developing leadership skills and strategic plans for revenue enhancement enables the students to become consultants to HCOs in planning, designing, assessing and implementing projects successfully.

## NON-GOVERNMENTAL ORGANIZATION

NGOs offer a National and International platform to our students for using their overall managerial skills which strengthens the organization in accomplishments of its goals, balancing cost and quality with a social cause.

## PHARMACEUTICALS

Students are skilled in all the managerial aspects and prove their mettle in Brand Management, Product Management, Supply Chain Management, IPR, Drug Regulations and Sales.

## ENTREPRENEURSHIP

With competencies like communication skills, relationship management and entrepreneurial skills, students are instilled with qualities to become able entrepreneurs.

## WELLNESS

The Wellness Industry is booming and requires training centers, certifications, developments with consistency in product quality and services. Our students provide competencies to propel the way ahead.

*Covering an array of verticals to help students find their niche.*

# INFRASTRUCTURE

The Symbiosis facilities available go a long way in ensuring productive campus life and provide a perfect ambience for academic pursuits. The Infrastructure includes:

- **Auditorium** : A state of the art auditorium, along with seminar halls.
- **Library Facility** : Journals, access to online database
- **Wi-Fi campus** : A Computer Laboratory, along with 24 x 7 Wi-Fi connectivity.
- **Healthcare Facilities**: In-house Healthcare Centre exclusive to the staff & students. The Centre provides preventive, promotive as well as curative health care services.
- **Recreation and Wellness Center (RWC)** : The RWC also offers Yoga and Aerobics facility for a refreshing interlude to the students to unwind.

*Where knowledge is imparted in a Hi-tech & vibrant environment.*

# CURRICULUM

## SEMESTER I

- Business Communication
- Entrepreneurship
- Financial Accounting
- Human Resource Management
- IT Applications for Healthcare
- Materials Management
- Organizational Behaviour
- Principles and Practices of Management
- Research Methodology
- Biostatistics & Basic Epidemiology
- Fundamentals of Hospital Planning and Engineering Issues
- Planning & Management of Hospital Clinical Services
- Planning & Management of Hospital Supportive Services
- Advanced Excel
- Creativity & Innovation
- Integrated Disaster Management

## SEMESTER II

- Business Statistics
- Essentials of Marketing Management
- Management Accounting
- MIS for Hospitals
- An Overview of Health Insurance
- An Overview of Pharmaceutical Sector
- Quality and Accreditation in Healthcare Sector.
- Study Report :Public health Sector Undertakings/ Healthcare Govt. agencies
- Operations Research
- Conceptualization & Management of Events - I
- Non Profit Sector in Healthcare

### ELECTIVE SUBJECTS

- Writing a Research Proposal: Research Methodology - III
- Overview of Clinical Research

# CURRICULUM

## SEMESTER III

- Summer internship programme
- Business Analytics
- Introduction to Financial Management
- Service Operations Management
- Project Management
- Strategic Management
- Talent Management
- Community Health
- Conceptualization and Management of Events - II
- Organisation & Administration of Super Specialty Hospitals
- Health Economics
- National Health Programme
- Operations Research

### ELECTIVE SUBJECTS 1

- Healthcare IT-1
- Healthcare Insurance -1
- Pharmaceutical Management 1

### ELECTIVE SUBJECTS 2

- Introduction to Business Intelligence
- Business Modelling and Planning
- Information Technology & Intellectual Property

## SEMESTER IV

- Corporate Governance and Ethics
- Industrial Regulatory Environment
- Dissertation
- Comparative Health Systems
- Emerging Trends in Healthcare Sector

### ELECTIVE SUBJECTS 1

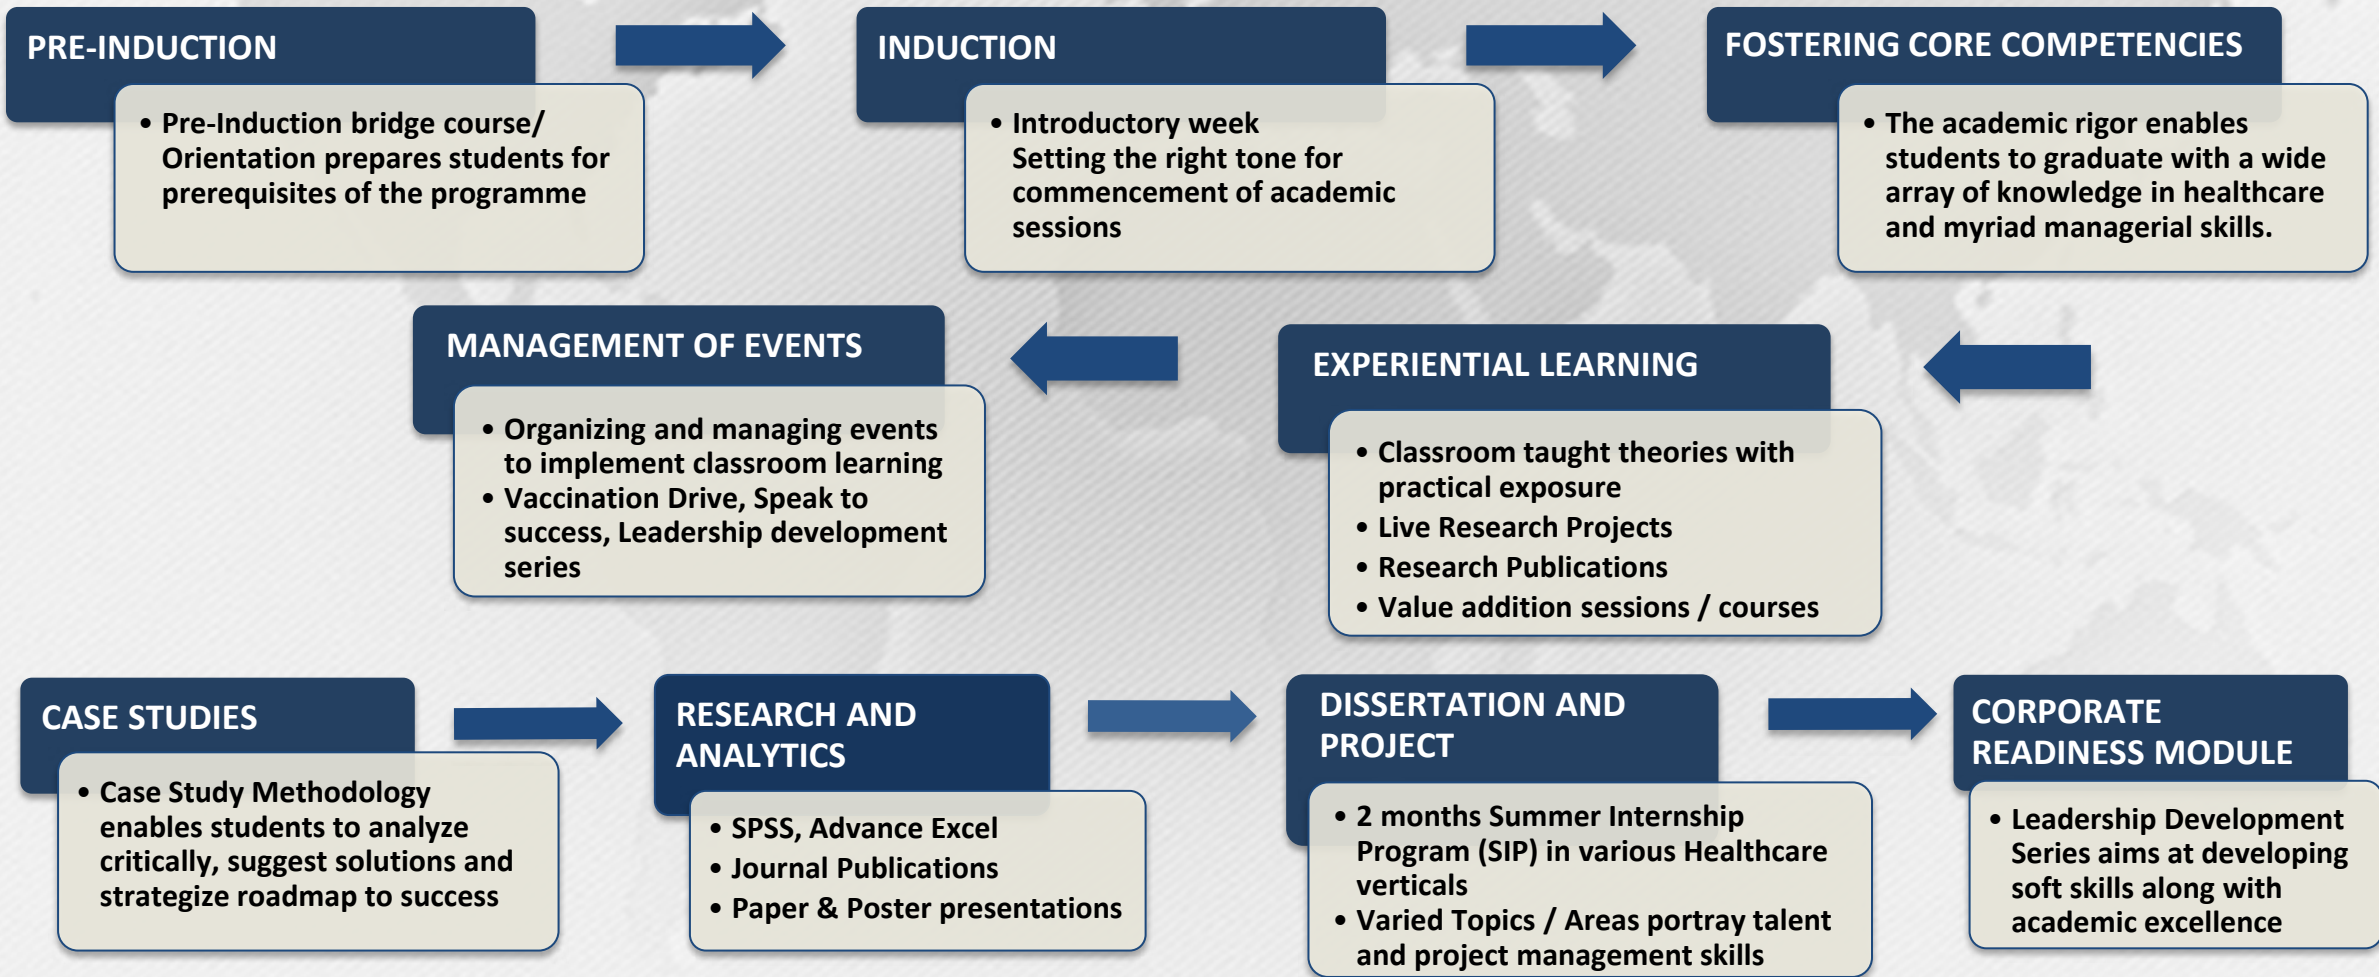

- Basic French I
- Basic German I

### ELECTIVE SUBJECTS 2

- Healthcare IT-2
- Healthcare Insurance 2
- Pharmaceutical Management 2

# THE SIHS PEDAGOGY

*The MBA (HHM) program at SIHS equips managers with the right set of inputs to transform individual perceptions into strong collaborations and enhanced performance*

# THE SIHS EDGE

- Symbiosis International University is re-accredited by NAAC with Grade 'A' and CGPA of 3.58 on a four point scale.
